FINANCE.

Cl. 1.—Army Schoolmistresses' Rations.

1. As some misapprehension exists with regard to the meaning of the concluding sentence of § 23, Clause 164, Army Circulars, 1871, which has been interpreted as applying to free rations only, it is notified that no issues of rations, whether free of charge, or on payment of the cost, will, as a rule, be allowed to schoolmistresses at home stations.

2. At isolated stations, however, where it is certified by the control officer that there is a difficulty in obtaining food from the ordinary sources of supply, rations may be issued to schoolmistresses on the understanding that they are to pay the actual cost of such rations.

CONTROL SERVICES.

Cl. 2.—Clothing and Necessaries.

(Issued as a Special Army Circular, on 18th December, 1873.)

The Secretary of State has, in accordance with the power granted him by the "Revised Royal Clothing Warrant, 1865," (War Office Circular, 891), approved of the rates laid down in the Appendix to this Clause, pages 10 to 21,* being allowed from 1st January, 1874, for the following services, viz. :—

- (a) Making up clothing supplied in materials.
- (b) Fitting made-up clothing.
- (c) Sewing on chevrons and badges.
- (d) Compensation in lieu of clothing.
- (e) Commutation in lieu of a free kit.
- (f) Marking the kits of recruits, knapsacks, cloaks and capes, great coats, leggings, head-dresses, &c.
- (g) Valuing great coats, cloaks and capes, and leggings lost or destroyed.

* Not printed in Army List.

ARMY CIRCULARS—continued.

Articles 23, 24, 27, 28, 31, 32, 35, 36, 37, 38 (with the exception of the two last paragraphs, relating to the annual allowance of 44*l.* to the master tailor, which remain unaltered), 72, 75, 79, 80, 84, 86, 87, 90, and 93 of the "Revised Royal Clothing Warrant, 1865," (War Office Circular 891);

War Office Circular, No. 969;

Clause 55 of Army Circulars, 1867;

" 154 " " 1870; and

" 62 and 118 " 1871;

are cancelled, so far as they relate to the rates and allowances for the services, for which provision has been made in the Appendix to this Clause.

Cl. 3.—Charges for Clothing and Necessaries.

1. All charges on account of clothing and necessaries will, in the case of corps and services at home stations, be submitted, from the 1st April, 1874, to the director of clothing, for examination, before being included in the pay lists or control cash accounts.

2. The sub-vouchers, prepared on the usual forms and accompanied by the "Abstract of Sums paid" (W. O. Form 616), will be duly completed by the regimental or other accountants before transmission; they will then be examined as soon as practicable after their receipt in the Army Clothing Department, and returned to the officer transmitting them, accompanied, if found correct, by an authority to charge in the regimental pay list, or other account, the total amount shown in the abstract. This authority, together with the abstract and sub-vouchers, will accompany the account in which the charge appears.

3. It will not be necessary for regiments and services abroad to adopt this course; but all charges of the nature alluded to should be carefully examined before being passed through the accounts.

4. In the case of charges for making up, fitting or altering clothing, and for marking great coats, head-dresses and leggings, corps and services, both at home and abroad, will be required to quote on the face of the claims for such charges the number and date of the requisition or authority on which the articles were issued from the Army Clothing Department.

Cl. 4.—Equipment, Brigade Depôts.

(Issued as a Special Army Circular on 19th December, 1873.)

The following regulations are promulgated for the information of officers in command of brigade depôts, and others concerned in the arrangement by which officers in command of brigade depôts will for the future account directly with the War Office for the equipment under their charge (Clause 72, Army Circulars, 1873):—

1. The arms, accoutrements, musical instruments, and all articles enumerated as forming part of the equipment of a soldier, will be marked with the number of the brigade depôt to which they belong, the letters B.D. being placed above the number of the brigade

depôt, and the consecutive number of the article below, thus—

B.D.
49

1 (and upward).

The valises will not, however, be marked on the outside, but will be marked inside only, in the way laid down in Clause 45, Army Circulars, 1872.

2. The arms will consist of short rifles for the serjeants, swords or dirks for the drummers or pipers, and long rifles for the rank and file.

3. The accoutrements will be of the valise pattern, with the universal locket. Each brigade depôt, when formed, will be allowed to draw arms and accoutrements for 12 serjeants, 4 drummers or buglers, and 184 rank and file.

4. There will be no pioneers' appointments.

5. No squad bags will be supplied.

6. The musical instruments allowed for each brigade depôt, except the 21st, 35th, 60th and Light Infantry and Rifle Brigade Depôts, will be 2 drums with cases, 2 bugles with strings, 2 B. flutes with leather cases, and 1 Azemar drum. For the 21st, 35th, 60th, and for Light Infantry and Rifle Brigade Depôts, the instruments will be 4 bugles with strings.

7. Repairs to accoutrements will be carried out under the orders of the officer commanding, in accordance with the instructions contained in Clause 72, Army Circulars, 1870. G.O. 5.—Indian Troop Ships—Conveyance of Horses.

The Secretary of State for India in council has given his consent to an arrangement under which, so long as horse stalls are retained on board H. M. Indian troop ships, as at present, for the accommodation of horses sent from this country (for government purposes) to India, mounted officers of regiments proceeding to that country may be allowed to embark their chargers in the event of the whole or a portion of the accommodation being available for them, on the understanding that no claim on the part of the officers to this privilege is thereby admitted, and that the chargers embarked are conveyed entirely at the risk of their owners, neither the Imperial government nor the government of India accepting any responsibility whatever.

On troops being placed under orders to embark, officers entitled to draw forage, who may wish to take their horses under the conditions specified, should apply through the usual channel to the Quarter Master General, who will make the necessary arrangements with the India Office. In any case there will be room for only a few each year.

The owners of the horses will be required to make provision for their care during the voyage, and to supply, and put on board, at their own expense, all necessary forage. Hay must be packed in compressed bales. A supply of medicine should also be provided.

Cl. 10.—Royal Warrant—Promotion of Ridingmaster.

VICTORIA R.

Whereas we deem it expedient to make certain further provisions in reference to the first appointment and promotion of the officers of our Army;

Our will and pleasure is that this Warrant be established and obeyed in respect of the matter herein contained, and that it be construed, administered, and interpreted with our Warrants of 27th December, 1870; of 30th October, 1871; and of 22nd March, 1872.

1. A ridingmaster, who is recommended for promotion by our Commander in Chief, and who shall pass such a professional examination as may be fixed from time to time by our Commander in Chief, with the approval of our Secretary of State, may be granted a commission as lieutenant, provided that he shall have served twelve months as ridingmaster.

Given at our Court at Osborne, this 24th day of January, 1874, in the 37th year of our reign.

By Her Majesty's command,
EDWARD CARDWELL.

Cl. 11.—Table Allowance.

The table allowance granted to general officers at certain stations will not in future be issued to them while on leave for any period beyond sixty-one days in each year.

Cl. 12.—Gratuities to Soldiers on Discharge.

(Issued as a Special Army Circular, on 20th January, 1874.)

1. The general fund, which has been formed from the fines inflicted upon soldiers for the crime of drunkenness, is appropriated to the purpose of granting gratuities to well-conducted non-commissioned officers and men on discharge from the Army.

ARMY CIRCULARS—continued.

2. The scale of gratuities will be regulated annually according to the state of the general fund, and will be notified to the Army from time to time.

3. From the 1st January, 1874, the issue of the gratuities will be regulated by the following rules, except that in colonial corps, the rates of gratuity will be only half those fixed for the Army generally.

4. Every soldier, who shall be discharged otherwise than for misconduct, will be paid, at the time of his discharge, a gratuity calculated at the rate of twenty shillings for each good-conduct badge then in his possession; provided that the total sum of 3*l.* shall not be exceeded, except in the case of a soldier who may not, for the ten years previous to his discharge, have been recorded as guilty of drunkenness. In such case the limit will be extended to 4*l.* if the soldier shall be in possession of four good-conduct badges, and to 5*l.* if he shall be in possession of five good-conduct badges.

5. In the case of a serjeant the amount issuable will be calculated on the number of badges to which his services and conduct would have entitled him, had he been a private soldier at the time of his discharge subject to the above limits. The charge will be vouched by a certified record of service.

6. Men transferred from the Line to the 1st class Army Reserve, to complete their term of service, will receive, at the time of such transfer, such gratuities from the fund as they would have received had they been discharged in lieu of being transferred.

7. Such men, if allowed to rejoin the colours, will not be required to refund any portion of the amount so received. They will be paid on final discharge from the Army a gratuity, at the rates specified above, for any badge or badges they may have become possessed of over and above those they had when transferred to the Army Reserve.

8. Non-commissioned officers detached from regiments of the Line or other corps of the Army, for service with the Auxiliary Forces, will not be entitled to receive these gratuities until they are finally discharged from the Army.

9. The gratuities issued in accordance with these regulations will be charged in the regimental pay list, on a separate form or voucher. The soldier will sign the form or voucher in evidence of his having received the gratuity; and in each case in which the sum of 4*l.* or 5*l.* is awarded, the charge will be further vouched by a certificate of the officer commanding that the soldier has not been recorded as guilty of drunkenness during the ten years immediately preceding his discharge. In the case of a non-commissioned officer referred to in paragraph 8 the certificate for the period during which he has been detached to the Auxiliary Forces will be signed by the adjutant and countersigned by the commanding officer of the regiment or corps with which he has been serving.

10. In the case of a soldier dying in the service, his estate will receive credit for such amount of gratuity as he would have been entitled to had he been discharged from the Army on the day previous to the date of his death. These gratuities will be charged in the regimental pay list on the same form or voucher as those issued to men on discharge, vouched by a reference to the non-effective account in which the credit is given.

11. Clause 140, Army Circulars, 1872, and Clause 4, Army Circulars, 1873, are hereby cancelled.

CONTROL SERVICES.**Cl. 13.—Equipment, Army Service Corps.**

1. All requisitions for equipment from officers commanding companies of the Army Service Corps will in future be made direct on the local controller, in accordance with paragraph 187, page 190, of the Equipment Regulations (Revised Army Regulations, vol. iii.), and Clause 80, Army Circulars, 1872.

2. The counter-signature of the staff officer of the corps to requisitions for articles of equipment will no longer be required.

3. The equipment accounts of the Army Service Corps will in future be rendered in the manner specified in Clause 111, Army Circulars, 1871.

4. Paragraphs 6 and 7, Clause 107, Army Circulars, 1871, are hereby cancelled.

Cl. 14.—Materials for cleaning Mounted Ordnance.

1. The following proportions of stores will be allowed annually for the care and preservation of ordnance actually mounted on the defences, including the guns, carriages,

2. The prices of necessaries given in the Annual Price List include an addition of 5 per cent., and only 10 per cent. need be added in these cases.

CL. 16. MILITARY MAPS AND BOOKS.

1. With reference to G. O. 14 and 35 of 1872, the time during which officers who entered the Army prior to the 1st of May, 1870, must present themselves for the special Army examination, is extended from December 31st, 1873, to June 30th, 1874.

2. Permission will accordingly be given to all lieutenants who failed at the last or any previous examination, as well as to those who have not yet presented themselves, to join the garrison classes, which commence on February 1st, 1874.

3. General officers commanding districts in which no garrison instructor is stationed, will arrange with the general officer commanding, at the nearest station where there is one, for the officers in question to join a class of instruction.

4. Officers failing to pass the examination by the 30th June, 1874, will not be afterwards permitted to leave their regiments for the purpose of study.

G.O. 11.—Staff.

(Specially issued, 22nd January, 1874.)

The Field Marshal Commanding in Chief has been pleased to appoint Major and Brevet Colonel John Carstairs McNeill, V.C., C.M.G., half-pay, late 48th Foot, to be one of His Royal Highness's Aides-de-Camp, *vice* Major and Brevet Colonel the Honorable H. H. Clifford, V.C., C.B., unattached, who vacated the post on appointment as an assistant adjutant general.

Dated 15th January, 1874.

G.O. 12.—Staff College.

I. The following regulations regarding the examination of officers who may be candidates for admission to the Staff College in February, 1875, are published for general information.

NEW ORDERS—continued.

There will be vacancies for twenty officers, of whom three may belong to the Royal Artillery, and two to the Royal Engineers, provided they are among the twenty highest on the list.

The qualifications requisite for admission are—

- (a.) A service of not less than five years, previously to examination, exclusive of leave of absence.*
- (b.) A certificate from his commanding officer, that the candidate is in every respect a thoroughly good regimental officer.
- (c.) A report on the following questions, to be confidentially answered by a board, consisting of the commanding officer and the two next senior officers of the candidate's regiment,† viz.:—

Is his conduct marked by steadiness and prudence, and is he temperate in his habits?

Is he extravagant in his mode of living?

Does he display zeal, activity, intelligence, and discretion in the performance of his duties, and does he appear to take an interest in his profession?

Report any other characteristic of the officer which renders him suited or otherwise for the duties of a staff officer.

Is his disposition such as would enable him to perform those duties with tact and discrimination, and in a manner calculated to ensure their being cheerfully carried out by those to whom orders would be conveyed by him? or, are his manners and temper objectionable, and likely to cause him to disagree with those with whom he might be associated, or be brought in contact?

Is he active and energetic in his habits?

Is he a good (fair or indifferent) rider, and is he shortsighted?

- (d.) A certificate that the candidate, if not a captain, has passed the examination for a troop or company.

- (e.) A medical certificate of good health and fitness for the active duties of the staff.

- (f.) Every candidate before being admitted to the entrance examination, will be attached for a month to the staff of a general officer commanding a brigade or division, who at the expiration of this period will report confidentially upon the candidate's general fitness for staff employment, and especially upon his aptitude for business and for conducting official correspondence ‡

Every application to study at the Staff College must be made, through his commanding officer, whilst the officer is present and serving with his regiment. No application from an officer on leave will be entertained.

HOME STATIONS.

II. Officers serving in the United Kingdom who are desirous of entering the Staff College, must, before the 1st of May next, inform their commanding officers, by whom the certificates from (a) to (e) will be prepared and forwarded through the usual channel to the Adjutant General of the forces. General officers in transmitting these applications, will record their opinions as to the fitness or otherwise of the applicants for staff work, should they be able to do so from their personal knowledge of them.

If these certificates are satisfactory, orders will be issued for carrying out the test prescribed in paragraph (f).

General officers will report not later than 30th June upon the candidates then attached to their staff; after which date, the officers, if approved, will receive from the Director General of Military Education the rules to be observed at their examination.

The examination will take place in London on the 23rd July next, and following days.

FOREIGN STATIONS.

III. General officers commanding abroad will issue their own local orders specifying the date up to which applications will be received by them from officers wishing to be examined. Care should be taken that sufficient time is allowed for the qualification described in paragraph (f) to be obtained, so that all the necessary papers and certificates may be received at the Horse Guards on or before the 15th May.

* This is not to apply to the usual leave of absence granted to officers.

† Officers on half-pay whose regiments have been disbanded, are, if possible, to obtain answers to these questions from the three senior officers under whom they have most recently served.

‡ See General Order 40 of 1871.

GEN. ORDERS—continued.

General officers in forwarding these applications will record their opinions as to the fitness or otherwise of the applicants for staff work, should they be able to do so from their personal knowledge of them.

The examination papers will be sent out for those officers only whose applications shall have been thus received.

IV. The examination will commence on the 23rd July, or as soon after that date as the examination papers shall be received from the Director General of Military Education; but no examination can be allowed to commence after the 16th August.

A board of officers will be appointed at the most convenient station of the district, by the general officer in command, and will consist of three officers; one of them to be, when practicable a staff officer, having the rank of field officer, and the other two, if possible, not under the rank of captain. One of these officers will belong to one of the scientific corps, where any such officer can be obtained.

The questions are to be answered in the presence of the board.

The board will give to each candidate a number, which he will affix to each of his examination papers, instead of his name. He will retain the same number throughout the examination.

The board will give to each candidate a paper of the printed examination questions on each subject, at the time specified for the examination in that subject.

The candidates will write their answers to the questions in the presence of the board, and their papers, together with the printed examination questions, will be collected at the hour appointed, and made up into a packet, which will be sealed before being taken from the examination room.

The board will, immediately on the conclusion of the examination, forward the papers of the candidates to the general officer commanding, for transmission to the Director General of Military Education, accompanied by a certificate that the candidates obtained no assistance from books, or help of any kind, in their examination. The board will, at the same time, forward the names of the candidates, corresponding with their index numbers in the examination, in a separate envelope, for transmission to the Director General of Military Education.

V. The following will be the order of the examination:—

VI. The examination in Military History and Geography will comprise the following subjects, as stated in G.O. 66 of 1873, viz.:—

a. *The Campaign* of 1818 in the Peninsula.

Candidates will be expected to have a general knowledge of the geography of the country.

b. *The general principles of war.* Text Books: Jomini "L'art de la guerre;" Hamley "Operations of War."

VII. There will be, in all cases, an interval of not less than one hour between the two periods of examination on each day.

The papers will be collected at the appointed hours by a member of the board. Any candidate, however, who may have finished his examination paper on any subject before the hour named, may deliver it into the hands of a member of the board.

Paper, pens and ink will be provided, but candidates should bring their writing and drawing materials, instruments, &c., and also the tables of logarithms they are in the habit of using. No other books or notes of any description will be allowed to be used.

No communication whatever will be allowed between the candidates at the examination.

VIII. General officers commanding at foreign stations will place no restrictions upon officers competing, further than the exigencies of the service may absolutely require.

SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the Next of Kin or others entitled, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as Next of Kin should be addressed by letter to "The Under Secretary of State, War Office, London, S. W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the date and place of the soldier's birth, enlistment and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared. Dated January, 1878.

By Order of the said Principal Secretary,

J. C. W. VIVIAN.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.
